

The Company Profile

PT HAMPARAN INDAH REJEKI

COMPANY PROFILE

Our Vision

To become the recognised number one cleaning solution company in Indonesia.

Our Mission

To ensure our customer gets the best solution available in maintenance and cleaning industry in order to provide the customer satisfactory.

Introduction

TS Solution was founded by a group of people with vast experience in both cleaning and management skills way back in 2001. We are supported by a strong management team comprising people with relevant technical experience. We strive to provide excellent cleaning solution to satisfy the challenging need of our customers. Our customers are an evidence for our achievement.

Based on our experience in cleaning industry from 2001, **TS Solution** has a competitive edge in the following areas:

- Our professional cleaning system is designed to cater our client's customized need in order to achieve their requirement based on their budget.
- Our experienced technical staff and trained workers aspire to deliver high quality cleaning services.
- Our modern equipment together with the right choice and quality of chemical used in executing our task enable us to ensure a better finishing.

TS Solution is a professional people in the cleaning industry that will take full responsibility of your premises and ensure that we will employ our best effort in meeting your requirement.
